Hi STEAM Bus! Welcome to be our new member in our school family.

As I remembered in an assembly two years ago, our Principal announced that a retired double-deck bus would come to our school. We all heard this news and felt very excited. It was really fantastic that a very big and tall bus can be driven into our school. It seemed to be amazing.

Then, we designed a paper bus model to welcome your arrival. When I was doing the design, I was also imagining how to study and play with you in the future.

Although our Principal and teachers encountered many difficulties in arranging your arrival, they finally

solved all the problems. Yeah!

STEAM Bus! You are the most valuable present from our God, KMB, our Principal and our teachers. You are also the present we like most. Hope you like our warm family and let's make more dreams come true.
