題目: Steam Bus! Let's Catch Up!

姓名: 陳卓謙 (1) 班別: 5B 日期: 11月19日

Steam Bus has come to CNEC Lui Ming Choi Primary School in 2018. Everyone of our school is so excited about the bus. It is an amazing event. No one believes a bus can go inside our school before. But it comes true.

'Steam' stands for science, technology, ^{eng} engineering, art and maths. That means we can learn these aspects from the bus soon.

Our bus has a colourful outlook. Students will be attracted by the bus. On the lower deck, there are some books provided for the students. Besides, some tech-based models are

also placed there. They look interesting. On the upper deck, it is designed as the outer space including so many planets like Mars, Jupiter, Mercury and Venus. Of course, the Earth which is the most important to us is also included.

Let's explore our beautiful and interesting bus during our lessons. Get on the bus and you'll love 'steam'. Let's go!!!
